

GROWING THE DREAM AWARDS 2013 CHARLOTTE

Celebrating Unsung Heroes, Bringing Neighbors Together, Strengthening Communities

Dear Community Leader:

You have been identified as a member of our community that can provide the name(s) of a Community Champion that we could consider honoring in our First Annual Growing the Dream Awards Ceremony, sponsored by the West Learning Community. We would like to recognize the exceptional leaders, business owners, families and students in the community. By doing so we pass on the goodwill Dr. Allen Smith, Community Superintendent of the West Learning Community wants to grow; Dr. Martin Luther King Jr's original, venerable Dream.

Please provide us with one to three community leaders that you consider champions. These people should be ones who are our unsung heroes within the community that give their time, talents, and treasures in many ways without recognition or formal compensation.

Please fill out the form below and send it back to: Carlenia Ivory, West Community Specialist through email: carlenia.ivory@cms.k12.nc.us fax: 980-343-2142 or by mail by **Monday, December 23, 2013.**
