REALTOR CARE DAY 2014

The Realtor's Association is looking for homeowners who live in single story homes who have exterior/outdoor home repair projects or adaptive and safety modifications for the elderly or disabled to be completed. Projects have to be able to be completed in one day by 20 to 30 volunteers per site. When applicable, homeowners/family will be asked to work alongside the volunteers.

All completed applications must be turned into my office (2730 Rozzelles Ferry Rd) with the requested documentation. Applications will be forwarded to the Realtor's Organization's Site Selection Committee who will select the projects to be completed. Examples of projects to be considered are: gutters, handrails, exterior painting, steps, decks, porches and yard work.

Please keep in mind some of the basic requirements are: owner occupied, no outstanding taxes, up to date homeowner's insurance, not at risk of foreclosure and below the 80% of median income.

We do not guarantee that services will be provided to everyone nor do we select the participants. I strongly encourage potential applicants to submit complete and thorough applications. If you have any questions please feel free to contact me.
