Henk to participate in 24 Hours of Booty of Charlotte.

[Next week I will participate for the first time the 24 Hours of Booty. Why should you care? Too many of my friends and acquaintances have been stricken by cancer recently; I guess it shows my age frankly.](#)

[Therefore I count my blessings of good health and have made a small donation to the 24 Hours of Booty organization, as well as riding the event from start to finish with Caroline for 24 hours; with rest periods. We expect to ride at least 150 miles, in solidarity of friends struggling with this disease, and in memory of others, but also to celebrate those that have overcome cancer. 24 hours of ordinary people riding for an extraordinary cause!](#)

[The monies raised are spent locally right here in Charlotte to help victims and families, see the videos below.](#)

[So I ask you for a small donation of your choosing, no amount is too small, none is too big. Any amount is appreciated indeed! \[Click here or the link below to make your contribution now.\]\(#\)](#)

[BTW - the 24 Hours of Booty is a Charlotte institution and tradition, click below to find out what it is and how your monies are used.](#)

[Thank you so much for your consideration!](#)

[Cheers.](#)
