Just a few hours left

Hi Steve -

It's Margaret, Dan's finance director. Our fundraising drive ends in just a few hours, and we're super close to hitting our goal. Close enough that if you chip in right now, you could be the one to put us over the top.

[Please chip in whatever you can afford. It will go a long way in our efforts to flip this district.](#)

We found out on Tuesday that we're up against Dan Bishop. He's a far-right ideologue best known as the architect of North Carolina's "bathroom bill" (HB2). Just days after the white supremacist rally in Charlottesville, he invested in a social media platform known for hate speech and popular among white supremacists.

As a North Carolinian, I know he does not represent our values, and his agenda has no place in Congress. But special interests are already spending money on his behalf, so hitting our goal is important to fight back against the attacks coming our way.

Like I said, we're close to our goal, and you could be the person that pushes us over the finish line. So if you can chip in before midnight, please use this link:

Thanks so much,
Margaret
