Steve -

HuffPost just broke a major story on our opponent's history of hate. The headline is stunning:

“Republican Compared Anti-LGBTQ Proposal To Saving Jews From Holocaust”

Dan Bishop was already best known as the architect of HB2, North Carolina's bathroom bill. It discriminated against our state's LGBTQ community, hurt our national reputation and cost us billions in economic activity. But he fought for it all the way to the end.

When the legislature passed a bipartisan repeal of the bill, he was the only state senator to defend HB2.

Now we know he was even trying to add discriminatory language into the repeal bill — comparing his efforts to discriminate against LGBTQ people to saving Jews from the Holocaust.

Fortunately, a bipartisan coalition in the state legislature stopped him. But this is exactly the far-right, bigoted agenda he wants to take to Washington.

That's why it's up to us to stop him.

[Make a \\$3 donation right now to help us defeat Dan Bishop and his extreme agenda. We cannot let him represent us in Congress.](#)

We can win this special election, but we need your help to get across the finish line. Thank you in advance for chipping in.
