A \$3 donation would help us knock on 105 more doors.

Hey Steve, Sam here, Dan's field director.

My team is out doing everything they can to turn out as many of our voters as possible before Election Day next Tuesday.

While most people rested over the long weekend, our organizers and volunteers were out canvassing and getting people to the polls.

Thousands of people have already voted early, and thousands more will vote during the final few days of early voting.

We treat every day as a major GOTV push. Our work cannot be left to just Election Day, and that's why it's important that we have your support now.

[Will you make a \\$3 donation to our campaign right now? We'll put your contribution to work immediately turning out voters in the 9th District.](#)

Special elections almost always come down to turnout. And with every poll within the margin of error, we know this one could come down to a few hundred votes.

So our field program will be critical in determining the outcome. That's why our field program is the size of a Senate campaign's. We've hired two dozen field staff across 10 offices.

But in the next seven days, we need to reach more voters than ever before.

[That's why your donation right now is so important. Just \\$3 covers the cost of the materials we need to knock on 105 doors.](#)

If you help us leave it all on the field, then we are going to win!

Field Director
