Steve -

In less than 24 hours, Donald Trump is holding a rally with my opponent, and we just got a preview of some of the false attacks he's going to throw our way.

He's coming the night before our election as part of national Republicans' desperate attempt to save Dan Bishop from our momentum. Before he gets here, we need to send a powerful message that their attacks are no match for our grassroots team.

[**Make a \\$3 donation to our campaign right now to help us fight back against their smear tactics. We need as many people chipping in as possible to make sure we turn out our voters and win this race.**](#)

Our race is within the margin of error. They know it's going to come down to turnout on Tuesday, so they're throwing a Hail Mary to try to stop us.

We've faced some of the nastiest attacks in this campaign — all full of lies and hate.

Tomorrow night, they are going to double down on that strategy and throw baseless attacks at me.

Look, we can reject their divisive, hateful politics when we win this election on Tuesday. But I need your help to get it done:

Anything you can give right now will go directly to turning out our voters. In a race as close as ours, every dollar and every vote is critical.

If you help push us across the finish line, then we are going to win.

Let's go!

Dan
