Early Voting through October 31 | Election Day November 3

### Campaign Weekly Update

On the 2020 general election ballot, City of Charlotte voters have the opportunity to approve a \$197.2 million bond referenda package that will fund construction and revitalization of transportation corridors including streets and sidewalks, more affordable housing, and improvements to neighborhoods in established and emerging high-growth areas. At end end of your ballot, please vote YES for all three bonds: **\$102.7 million for streets, \$50 million for housing and \$44.5 million for neighborhoods.**

### The Final Stretch: Election Day is Four Days Away!

After months of campaigning, the main event is just a few days away. The last day of early voting is tomorrow, Saturday, October 31, until 3 PM. Election day is Tuesday, November 3, and the polls open at 6:30 AM and close at 7:30 PM. For more information on the election including your sample ballot, visit [Mecklenburg County Board of Elections](#).

We encourage all our supporters to wear their Vote YES for City Bonds lapel sticker and spread the word to those who are voting tomorrow and Tuesday. You can visit our [website's resources page](#) for campaign materials including a lapel sticker template.

Please continue to campaign for the cause and thank you for your support!

### Project Spotlight: Neighborhood Improvements & CNIP

On the ballot is \$44.5 million for neighborhood improvements, funding capital projects and addressing immediate infrastructure needs in Charlotte's established and high-growth areas. By voting YES, you will support the **Comprehensive Neighborhood Improvement Program (CNIP)** and invest in five neighborhoods: Central/Albemarle/Shamrock, Prosperity Village, Sunset/Beatties Ford, West Trade/Rozzelles Ferry and Whitehall/Ayrslley.

CNIP efforts include connecting streets, sidewalks, trails and bike lanes to enhance existing community

assets and provide more mobility/transportation options.

## Frequently Asked Question

### Q: Bottom line, why should I vote for these bonds?

A: The Charlotte that we enjoy today is due to the investments we made in the past. The city we will enjoy in the future will come from investments we make today. Meeting Charlotte's infrastructure needs is vital to our region's health and sustaining our reputation as a great place to live, work and play. To support a better Charlotte, vote "yes" for all three bonds referenda on this year's ballot.
