As 2020 comes to a close, we hope this edition of GROW YOUR READER finds you and your family healthy and well.

Reading together can be one of the most rewarding and relaxing ways to bond with children. Find peace & joy this holiday season by adding literacy to your list or routine!

Children are curious about their world and playing is the best way for them to learn! ABC puzzles, ABC magnets and sidewalk chalk are all great gifts for kids to play with and see letters all around them.

Make a GAME of it!

Kids love games and quality time with you, especially over the holidays. There are great letter games out there that offer a variety of ways to play depending on a child's age or skill level.

Where are the letters ?

Where is the card ?

You may be surprised how many fun things you can find shopping for "reading games" online!
