Have your kids had their summer [checkup](#)? Learning a child's current reading level is key to knowing how to best help him/her stay on track this summer. The Reading Checkup is a FREE tool helping Mecklenburg County families do just that for their PreK-3rd grade kids.

## EASY & FUN ACTIVITIES!

Once your children complete the two online quizzes at [ReadingCheckup.org](#), you can take the activities off line using things you have around the house. Simply select your favorites from the list & start seeing your child's reading skills grow.
