Steve,

We know it's early but we promise we would only reach out if it was important — and it is *very* important.

Dirt Road PAC was founded by Jaime Harrison, and we're continuing what Jaime started by helping Democrats compete *everywhere*. That's why lately, we've been supporting Democratic Senators facing tough reelection challenges like Rev. Warnock, Mark Kelly, Maggie Hassan, and Catherine Cortez Masto to keep our one-seat majority.

We're also helping Senate challengers like Val Demings in Florida, Charles Booker in Kentucky, and Cheri Beasley in North Carolina flip red seats. But we need your support to get the job done.

[Will you chip in \\$10, \\$25, or even \\$50 today to help Dirt Road PAC continue our founder Jaime Harrison's work by defending our Democratic Senate majority?](#)

Here's why your support makes such a difference: In 2021, you helped Senators Warnock and Ossoff win the Georgia runoff elections and clinch the Senate majority by one vote. And in 2022, our team is focused on increasing voter turnout, expanding the Democrats' base, and repairing our Democratic infrastructure.

But we can't do it alone — we need a grassroots movement backing us up every step of the way.

[So, Steve, can you chip in \\$10 right now to ensure we're prepared for the work that lies ahead? We're committed to helping Democrats win at all levels of government, all over the country.](#)

Thank you for everything you do.

We hope you have a great rest of your week,

— Dirt Road PAC HQ
