Steve, I'm running for reelection to keep Georgia blue and deliver meaningful progress for our country — but Donald Trump just came to Georgia for the second time in six months to rally his MAGA base and boost my potential GOP opponent, and I need your help to fight back.

National Republicans have already spent millions smearing me with attack ads to flip this seat and take back the Senate for Mitch McConnell. And with experts from *FiveThirtyEight* to *Politico* saying that Democrats' chances of defending our majority *hinge* on winning this race, there's too much at stake to lose here.

But I'll be honest: Trump's visit and the GOP's huge spending spree could put my seat — and our entire Senate majority — at risk unless we fight back immediately.

That's why I've set a rapid-response goal to raise \$100,000 by midnight, and I'm asking you to chip in now:

[Steve — will you rush \\$10 or more ASAP split between my campaign and Dirt Road PAC to fight back against GOP attacks, win in Georgia, and defend our Democratic Senate majority?](#)

Thank you for always stepping up when I need you most,

Rev. Raphael Warnock
