Steve, Donald Trump just came to Georgia to campaign against Stacey Abrams

The Georgia GOP is so obsessed with Donald Trump that he's featured in almost every Republican TV ad – even ads for the candidates he doesn't support!

It's clear: Republican candidates aren't focused on improving the lives of Georgians; they're focused on improving their standing with Trump.

[While the GOP wants to please one man, Stacey's campaign wants to build One Georgia. But she needs your support to make sure our POSITIVE vision drowns out the cynicism and nonsense. Split a \\$10 contribution between Dirt Road PAC and Stacey Abrams to fight back.](#)

Donald Trump doesn't care about Georgians, Steve – he cares about himself and he cares about amplifying his dangerous conspiracy theories.

He cares about the campaigns of candidates who pledge to him their "complete and total" fealty.

And he will do anything to prevent Stacey Abrams from becoming governor.

You may have seen that Trump is already appearing in TV ads attacking Stacey.

But we are building a movement led by and for Georgians. With your help, we can and we will elect new leadership all Georgians deserve.
