On this day when we give thanks for so many blessings, we are grateful for the many people who have helped StriveCLT have an impactful first year of operation supporting families of Southside Homes.

Your engagement as a volunteer, donor, community partner, board member, or StriveCLT staffer, made it possible for us to make a significant impact. Together we've tripled the number of children enrolled in our afterschool program, became a GEDWorks sponsor, providing an all-virtual program to help residents work toward earning their high school equivalence degree, and we have so much more in the pipeline for the year to come!

Thank you for your support. We hope that you will stay on this journey with us to continue investing in the people of Southside Homes, finding new ways to help them *Strive to Thrive!*

As you take time to rest and reflect during this holiday season, please know that you have been a tremendous blessing to us and to each community member whose life you've touched.

Thank you for all that you do!
