Giving TUESDAY

Council for
Children's
Rights

& YOU

Giving Tuesday is all about making a difference for the causes you care about. Today, **we're asking for your help to make a difference in the lives of children right here in Mecklenburg County.**

When you support the Council for Children's Rights, you are supporting the children you see around town everyday. You are helping:

- The child behind you in the grocery store that is having trouble getting the special education services they need to succeed in school.
- The pair of siblings in the park whose parents are going through an incredibly difficult custody battle.
- The teenager who is fighting to stay in school after an unfair suspension.
- The 14-year-old who needs help reintegrating into the community after a mental health crisis in a locked facility.

Your gift gives children a voice when they need it most. Please donate today to help us reach our \$15,000 goal to help us increase our impact for local youth this holiday season.

We know there are many deserving and impactful organizations sending emails today, and we truly appreciate you choosing to support Council. **We are grateful to have you as part of our community and we couldn't do what we do without you.**
