Today's the day! Giving Tuesday is here and BMe Community has agreed to match every dollar donated up to the first \$10,000 so that you can double your impact!

All matched donations will go towards CYC's Persistence Program. This program ensures CYC College Fellows have the resources they need to successfully transition to, thrive in, and graduate from college with strong prospects for the workforce or postgraduate studies.

Thanks to the generosity of a number of our supporters, we've already surpassed the \$20,000 mark. Help us raise an additional \$5,000 to expand our emergency assistance fund for our College Fellows!

GRAB YOUR GEAR!

To celebrate Giving Tuesday, CYC Fellows have helped to design custom long-sleeve tees just for you! All proceeds will also go towards supporting our College Persistence Program!

Grab yours today and wear your generosity proudly! #EveryDreamNeedsATeam
