Subject: Realtor's Care Day of Service

Greetings,

If you are interested in receiving assistance for exterior home repairs and rehab please complete the attached application for the Realtor's Care Day of Service. The Realtor's Care program assists with exterior home projects only. Examples of projects include exterior painting, wood repair, deck repair/staining, gutter clean outs, landscaping, yard waste, caulking, cleaning out storage buildings, building wheelchair ramps and more. The homes must be 1 story. The day for service is Friday, April 19, 2024. Again, it is only for one day. If you reside in the Southwest Service Area applications must be submitted to me by Wednesday, February 28th. If you get the applications to a designated person in your neighborhood, I will pick them up or you can drop them off at Old City Hall at the front desk by the 28th. My office is located at 600 East Trade St. Charlotte NC 28202. See attached criteria and application.

Please keep in mind this is a selection process. The Realtor's Care Team will review the applications and select homeowners that meet their criteria. You will be notified by a Realtor's Care Team member if your application has been selected. For more information, I can be reached at 704-622-2020.
