Natasha MARCUS

NC Commissioner of Insurance

Hi Steve,

It's Natasha Marcus and I need to tell you something that will probably make you mad, as mad as I am. The NC Insurance Commissioner "**Rate Hike Mike**" Causey has already pocketed over a quarter of a million dollars in campaign donations from the insurance industry—the very interests he's supposed to regulate! He's got a MAJOR conflict of interest and it's played out badly for North Carolinians, as he's agreed to raise insurance rates 16 times with 3 more on the way. Meanwhile, North Carolinians struggle to keep up with soaring insurance costs.

How dare he! Instead of protecting us, he's been busy lining his campaign coffers with insurance industry cash. While families are forced to make tough decisions, Causey is canceling public hearings and cutting secret deals that benefit his big-money donors. **This is not leadership—it's insider politics and gamesmanship, plain and simple.**

I'm running for Insurance Commissioner because we deserve better. **I am not accepting campaign money from the insurance industry because I don't want to owe them anything. I want to work for you.** I will bring transparency and accountability back to this office. I will hold public hearings and require the insurance companies to justify their rate hikes under oath; if they don't have the proof, they won't get their rate increase. I will be the fierce advocate that North Carolinians need, fighting for fair rates and honest coverage.

But I need your help to take on Rate Hike Mike and his insurance industry backers. [Can you chip in \\$25, \\$50, or more to fuel our fight for justice?](#) Your support is crucial to build a campaign strong enough to defeat this entrenched incumbent.

Together, we can put an end to this madness and ensure that every North Carolinian has access to affordable, reliable insurance. Let's send a clear message: our state is not for sale.

Exposing the Rate Racket,
