#### **THEMES**

# Specifics to deal points

- 1. City investment capped at \$650M Two teams / 20 years
- 2. Securing investment in post construction years
- 3. If the option after year 15 of the non-relo was to be exercised, TSE must pay the balance associated with the remaining city debt
- 4. Funding comes from Convention Center Fund (pilar w/in Hospitality & Tourism)
- 5. Traffic management plan will incorporate parking strategies as development occurs
- 6. Construction and Funding
  - a) Addresses greater accessibility and sustainability
    - I. District and greenway connectivity
  - b) The city investment is tied to the tiers (city investment Tier 1 and possibly Tier 2) & funding schedule will align with this work over the 4 years
