Subject: AVAILABLE NOW: Sallie Mae's College Completion Scholarship

The application window for The Sallie Mae Fund's Completing the Dream Scholarship for AY 2024-25 is now open. We're again partnering with Thurgood Marshall College Fund to offer 200 \$2,500 scholarships to cover any remaining costs or expenses that may prevent a student from graduating. Since 2021, the scholarship has eliminated nearly \$2 million in unexpected costs for students from underserved and underrepresented communities, 98% of whom attend or have attended a Historically Black College or University.

Eligible students must be on track to complete their program during the academic year 2024-2025 at a two-or four-year college, career training, or other post-secondary education program and maintain good academic standing.

Students can apply **NOW** for the Completing the Dream Scholarship at https://www.salliemae.com/C_T_D.

In addition to the Completing the Dream Scholarship, Sallie Mae also offers scholarships to help students [access](#) and [continue](#) higher education. We also connect students to [scholarships](#) through its free resource [Scholarship Search by Sallie](#).

Feel free to share this information with anyone that you think may benefit. As always, if you have any questions, please let me know.
