COMMUNITIES

Dear Stephen,

I'm excited to share a great opportunity for Charlotte's artists. Starting today, we're accepting applications for the [Knight Art + Tech Expansion Fund](#)! This open call is designed to provide arts practitioners with the tools they need to expand their use of technology. My colleague, Koven Smith, Knight's senior director of arts, has more information below!

Join us to celebrate Juneteenth in the Historic West End Corridor this weekend. You can register [here](#). On June 27th, WFAE is recognizing equity champions at their first annual [EQUALibrium Awards Gala](#). It is an honor to be on this list and truly rewarding to see so many Knight partners, like Héctor Vaca Cruz, Theatre Gap Initiative, HUE House, TreesCharlotte and The Lee Institute being applauded for their efforts to advance a more equitable and inclusive Charlotte. I hope you can join us for the celebration.

Much more to come!

Sincerely,
Charles Thomas
Director/Charlotte

ART + TECH EXPANSION FUND

Hey Charlotte,

I look forward to seeing your proposals for the 2024 Knight Art + Tech Expansion fund! We created this open call to support artists who want to innovate by integrating technology into their work.

Charlotte's arts practitioners always amaze us with their forward-thinking proposals that engage audiences in exciting ways. Last year, we backed 22 Charlotte-based artists and arts organizations. This year, we're excited to do the same.
