Steve,

I'd like to introduce you to Governor Cooper on **Thursday, June 27 at 5:30pm** in Davidson at a reception supporting my campaign — can you make it? Great! Sign up here: marcus4nc.us/davidson

Need to know more? No problem: After six years serving the people of Senate District 41, I'm running for NC Commissioner of Insurance, an important role on the Council of State, because the people of our state deserve affordable and reliable insurance.

Voters are waking up to how important this race is. After my opponent approved his sixteenth rate hike without a single public hearing, consumers across the state are realizing that **we need an advocate for the people in this critical role, not an insurance industry insider**. Governor Cooper agrees, so he'll be with us next Thursday to talk about the race and the need to elect more Democrats to the Council of State. Will you join us? Here's your official invite:
