Good morning,  
I trust this email finds you well!  
If you could please share this upcoming Youth event, we would appreciate it greatly!

Every year Mecklenburg Metropolitan Interfaith NEtwork holds experiences for middle and high-school aged youth in Mecklenburg County.

The purpose of these activities is to bring youth together from different faiths, races and socioeconomic backgrounds to learn more about each other's traditions and to serve our local community.

Participants will experience and visit various social agencies and houses of faith for worship, dialogue, fellowship, food and fun!

Upon completion, attendees will be awarded with a certificate in religious-diversity.

\*Registration fees are on a sliding scale / Pay what you can.
