Natasha MARCUS

NC Commissioner of Insurance

Hi Steve,

Happy 4th of July! As we celebrate our nation's independence, let's ignite a new revolution—one that **declares our independence from "Rate Hike Mike" Causey** and his endless insurance rate increases.

For eight years, "Rate Hike Mike" has ruled like an unaccountable monarch, **approving 16 rate hikes and counting, always canceling public hearings** rather than holding insurance companies accountable. It's time to throw the tea into the harbor and stand up for fair, transparent leadership. Just like the founding fathers fought for freedom, we can fight for insurance rates that protect our homes, wallets, and futures.

Will you join our revolution and contribute to our campaign? With your support, we can bring a new dawn of accountability and advocacy to the North Carolina Department of Insurance. Your donation will help us ensure that North Carolinians have a Commissioner who fights for the people, not the insurance companies.

Together, we can make history again—this time, by electing a leader who will hold public hearings, demand transparency, and stand up against unnecessary rate hikes. It's time to declare our independence from "Rate Hike Mike"!

Proud to be an American and your Democratic nominee,
