Hi Steve,

I'm reaching out on behalf of Foundation For The Carolina's Beyond Open small business grant program. Beyond Open is a competitive small business grant program centered on building economic mobility within Charlotte's Corridors of Opportunity, and is focused on diverse-owned small businesses.

Grant awards from \$10,000 to \$150,000 can be used for capital assets such as equipment, technology, inventory and real estate, and do not need to be repaid.

\$5 million in grants will be awarded in this last round. Applications are now open and close on August 30 at noon. Interested applicants should visit beyondopenclt.com to learn more and to apply.

Would this be something that you'd like to share in your weekly newsletter? If so, please let me know if there is any additional information that I can provide. I attached a graphic in case it is helpful.

Thank you!
