Hey there 🙌

Remember us? We're [Profound Gentlemen](#), and we're back in action, just in time for the new school year! ✨

As we gear up for another exciting year, we wanted to reconnect and share what's been happening with us. Think of this as a little 'back to school' moment for our relationship!

Over the next few weeks, we'll be dropping some notes in your inbox to reintroduce ourselves and show you the impact we're making together.

So, grab your coffee (tea or water), and let's get reacquainted!

Warmly,  
Leah Rapley  
Director of Development, Profound Gentlemen
